United Way of Smith County

We make a living by what we get.
We make a life by what we give.

- Winston Churchill

Since 1940, the United Way of Smith County has focused on creating a better community through collaboration, fundraising and volunteerism for dozens of essential programs throughout our community.

When you give to the United Way, 100% of your gift stays right here in Smith County and directly meets community needs. Community Pillar Sponsors cover the operating costs of the United Way of Smith County, allowing every dollar from all other donations to directly impact local programs.

United Way Leadership Donors are individuals or couples who annually donate \$1,000 or more through the United Way Campaign. Through their generosity, Leadership Donors demonstrate a true commitment to making a positive impact and creating lasting change in the lives of children and families in Smith County.

Leadership Donors are the heart and soul of our community and the United Way. Generous leaders like you make Smith County a better place to live and work.

Please do not hesitate to contact me for more information.

Thank you in advance for your consideration.
