AN INVESTMENT IN YOUR ORGANIZATION

The East Texas Center for Nonprofits is committed to helping nonprofits throughout our entire East Texas area by providing capacity building resources, management training, and coaching services to ensure a stable and sustainable future. Membership is the gateway to a broad range of services with the advantage of affordable rates.

Why join the East Texas Center for Nonprofits?

Access. Resources. Discounts! When your organization joins ETCN, every staff member, board member, and volunteer can take advantage of the benefits. Because nonprofits all differ, we have provided different membership levels so you can select the one that best meets your needs.

“If you want to stretch your limited funds to maximize your impact as an organization, you need to be a member of ETCN.” –John English MD, Bethesda Health Clinic CEO
